20 May 2019 to 21 May 2019

The “Workshop to build terminology framework for FAIR data competency” is held at the CODATA Headquarters in Paris, France from May 20-21. This event will be done in conjunction with the EOSCPilot FAIR4S service.

This workshop was organized by the following:

- Simon Hodson, CODATA
- Kevin Ashley, Sarah Jones and Angus Whyte, DCC
- Celia van Gelder, ELIXIR Training Platform & DTL/ELIXIR-NL
- Susanna Assunta-Sansone and Peter McQuilton, FAIRSharing
- Hugh Shanahan, Royal Holloway, University of London
- Paula Martinez Lavanchy, TU Delft

Participants have a chance to join remotely through this [link](#).
