

Date:
29 January 2020
Location:
Cambridge, UK

Implementing FAIR data principles in industrial life science research. This event counts with experts on FAIR data, namely members from FAIRsFAIR: Susanna Sansone ([FAIRsFAIR Champion](#)) and Hugh Shanahan, who is joining a panel discussion on "FAIR Landscape".

WHO SHOULD ATTEND?

- Biotech companies working with data
- Technology companies planning to provide FAIRification services
- Academic groups interested in FAIRification of their data collections

THE AGENDA INCLUDES:

- Introduction to FAIRplus
- Guidelines for making data FAIR
- SME Flashtalks
- Hands-on session on FAIRification

The full programme is available [here](#) and the speakers presentations [here](#). Video presentation of Carole Goble: FAIR History and the Future is available [here](#)

For more details on FAIRplus please visit the [FAIRplus website](#).

LOCATION

The location of this event is: Cambridgeshire, UK

REGISTRATION

Registration deadline: Friday 10 January 2020

REMINDER: We are hosting our first FAIRplus Annual Review on Thursday 30 and Friday 31 January. It is free to attend and takes place at the same location but registration must be completed separately. Please [click here](#) to register.
