ExPaNDS Work Package 1 is pleased to invite you to our next workshop, which will take place on the 6th and 7th April 2021 - How is [ExPaNDS](#) delivering its data services to [PaNOSC](#) and EOSC. Topics will range from metadata harvesting by B2FIND and OpenAIRE to publication of our data analysis pipelines in the PaN software catalogue. We are delighted to have colleagues from [EOSC-Nordic](#), [EOSC-Synergy](#) kindly accepting to share with us some of their insights and achievements.

A provisional agenda is available here: <https://indico.desy.de/event/29297/> and register [here](#)
