# Assessing the FAIRness of data holdings:
# Using F-UJI to make your repository more FAIR-enabling
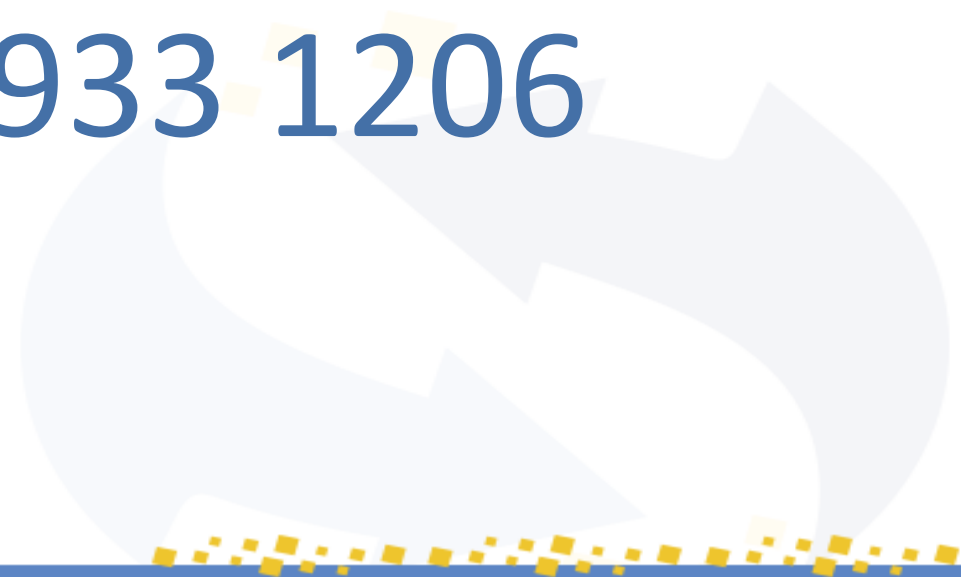

September 29th 2021

# Summing up

- Assessing the FAIRness of data can help you to see whether your repository service is FAIR-enabling and where improvements might be needed

- Make use of freely available tools like F-UJI to help you to carry out automated assessments

- Scope your assessment carefully

# Next steps

# Please go to www.menti.com and use the code 7933 1206

# Thank you!
